# Virtual Offices

More than just a place  
to have a meeting.

The new CEO Executive Suites Virtual Office allows entrepreneurs to develop and present their business plan from a prestigious commercial address. Flexible fees, personalized telephone answering and voice mail, a legal address, mail handling services and more.

Our Virtual Office plans provide a customized, convenient support platform for professionals and companies, without the hassle of administrative duties and high operation costs.

Let us know your needs and we will provide a smart, cost-effective solution. Make an impression and meet your clients in our brand new building. Separate your business address from your personal address and enjoy all the benefits, including a prestigious address for your mail, your stationery and your advertising campaigns, as well as all the CEO Executive Suites staff and services at your disposal and on demand.

**Visit us and discover why  
the new CEO Executive Suites  
building is the right choice for  
your business.**
